Kaiphal (Myrica) based Indigenous Herbal Medicines for Sexual Health (Aphrodisiac): Pankaj Oudhia's Medicinal Plant Database

Pankaj Oudhia

Abstract

Although natural distribution of Kaiphal (Myrica) is limited to few states but Kaiphal based Traditional Herbal Formulations are used in almost all parts of India. Kaiphal holds a reputed position in the list of well researched Indigenous Herbal Medicines of India but still major part of Traditional Medicinal Knowledge related to this important medicinal species is waiting for documentation. The Traditional Healers practicing their knowledge in far areas are using Kaiphal in unique ways. Pankaj Oudhia has documented these formulations in its original form.

This research document shows the list of topics discussed in Pankaj Oudhia's Medicinal Plant Database on Kaiphal in reference to Sexual Health. For details please visit http://www.pankajoudhia.com
