

Safed Palash based Indigenous Herbal Formulations for Anal Fistula or Bhagandar: Pankaj Oudhia's Medicinal Plant Database

Pankaj Oudhia

Abstract

Safed Palash (White flowered Butea) is an integral part of Traditional Healing in India. In treatment of Anal Fistula (Fistula-in-ano) the Traditional Healers of different parts of India use it in different ways. Thousands of Safed Palash based Herbal Formulations are in practice. Majority of these formulations are not mentioned in ancient literature related to different systems of medicines in India and other countries. Pankaj Oudhia has documented these formulations in its original form.
