

## **Chitrak (Plumbago) based Indigenous Herbal Medicines for Anal Fistula or Bhagandar: Pankaj Oudhia's Medicinal Plant Database**

**Pankaj Oudhia**

### **Abstract**

In Indian Traditional Healing all parts of medicinal species Chitrak are used in treatment of different diseases. In treatment of Anal Fistula (Fistula-in-ano) the Traditional Healers use Allelopathically enriched Chitrak with other medicinal species in form of thousands of Formulations. Most of these Formulations are not mentioned in ancient literature related to different systems of medicine in India and other countries. Pankaj Oudhia has documented these formulations in its original form.

This research document shows the list of topics discussed in Pankaj Oudhia's Medicinal Plant Database on Chitrak in reference to Anal Fistula. For details please visit <http://www.pankajoudhia.com>
